

Appl. No. 10/799,828  
Amdt. Dated August 9, 2005  
Reply to Office Action of 5/17/05

Docket No. CM06186H  
Customer No. 22917

### **REMARKS/ARGUMENTS**

#### **Allowable Subject Matter**

Claims 1-20 are pending in this application. Claims 1-2, 8-9, and 11-17 were objected to as being allowable if rewritten or amended to overcome rejections under 35 USC 112, 2<sup>nd</sup> paragraph. In response, the claims have been amended to remove the term "substantially similar."

Further, to move the application toward allowance, Applicant has amended claims to depend upon allowed claims. Thus, Claim 5 has been amended to include the limitations of allowable Claim 8 and Claim 8 has been cancelled.

Further, three new claims, namely Claims 18-21 have been added. Support for independent Claim 18 is found in allowed Claims 16-17 (now withdrawn). Support for new Claim 19 is found on page 9 line 2 of Applicant's specification. Support for new Claim 20 is found in the last full paragraph on page 8 and continuing to the first paragraph on page 9. Support for new Claim 21 is found in Claim 6 (now withdrawn). Thus, no new matter is added by the new claims.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim.

The Applicants believe that the subject application, as amended, is in condition for allowance. Such action is earnestly solicited by the Applicants.
